MEASUREMENTS

Width: 97"
Height: 76"
Depth: 64"

Heavy Duty Clamps

JLT Clamp arms are built to last. With minimal maintenance and strong steel construction, these clamps can last a lifetime.

Easily Adjust and Hang

Mounting Plates on the back of the clamps allow for quick and easy attaching of the clamps onto the clamp rack. Easily slide the clamps left to right to create a desired setup.

Protect MDF Doors

JLT Door Clamps are designed to clamp and square MDF or HDF doors as well. The UHMW Border Kit will protect the door. Optional accessory.

*Optional accessory shown above.

Fast & Easy Changeovers

With the JLT Trident Pin System, this intuitive feature allows for quick changeovers between door sizes and to apply precise clamping pressure. The pin should be located as close to the center of the door as possible.
